EVALUATION OF STUDENTS' FEEDBACK 2022-23

Barpeta Girls' College was established in the year 1978 with a mission to disseminate higher education among the girl students whose longing for higher education used to be higher institution of learning, designed for the training of youth in preparation for life and services to mankind.

Student feedback on teachers is crucial for enhancing the educational experience. It provides valuable insights into teaching effectiveness, helping educators identify strengths and areas for improvement. Feedback fosters a collaborative environment where students feel their opinions matter, promoting engagement and motivation. It also aids in professional development, guiding teachers to refine their methods and adapt to diverse learning needs. The dedicated feedback form, created by the IQAC of the college, is collected via Google Form. A total of 388 responses were recorded. The feedback encompassed all the teachers from eight departments.

Key Insights from The Feedback:

1. Teachers show strong commitment and punctuality, ensuring a stable academic schedule.
2. They are effective at inspiring students and relating topics to real-world contexts.
3. Most teachers are knowledgeable and cover course material comprehensively.
4. They conduct continuous assessments but may improve consistency.
5. Teaching efficiency is generally high, though there's room for enhancement.
6. Teachers are actively involved in co-curricular activities, promoting a balanced education.
7. Relationships with students are generally positive, with areas for further improvement noted.

Action Taken: Based on the key insights from the feedback, a thorough report was shown in the academic committee as well as in the staff meeting. After a detailed discussion, all the teachers agreed to take action to address the students' requests.

- Encouragement of teachers' commitment and punctuality.
- Support for additional training and resources to enhance teaching abilities.
- Professional development opportunities for deeper knowledge.
- Support for teaching efficiency through technology integration.
- Encouragement and support for involvement in co-curricular activities.
- Conduct more sessions to strengthen teacher-student relationships.

Conclusion: In conclusion, the feedback highlights the dedication and punctuality of teachers, their ability to inspire students, and their comprehensive coverage of course materials. While teaching efficiency and consistency in assessments show room for improvement, the overall academic environment is positive. Teachers' active participation in co-curricular activities and generally positive relationships with students contribute to a well-rounded educational experience. In response to the feedback, a detailed report was presented to the academic committee and staff, leading to a consensus on several action points. These include reinforcing teachers' commitment, providing additional training and resources, offering professional development opportunities, integrating technology to boost teaching efficiency, and encouraging further involvement in co-curricular activities. Additionally, more sessions will be conducted to enhance teacher-student relationships, ensuring continuous improvement in the educational experience.
